COIN COUNTER/SORTER

EASY EASY

INSTRUCTIONS

- For everyone who has to count and separate coins every day.
- Pour the unsorted coins into the upper tray, better if the coins are poured in gradually.
- With the trays correctly stacked, grab the assembled device firmly while keeping it horizontal. Then proceed and shake it briefly but firmly alongside the four directions (forward-backward left right).
- After a few seconds all the coins will be placed in the dedicated trays.
- Finally remove in succession the trays to discharge the sorted coins.
